Before engaging in foreign exchange or precious metals trading, you should be aware of the risks which may be involved in such trading. You **should not** enter into a transaction unless you fully understand:

- ◆ the nature and fundamentals of the transaction and the market underlying such transactions.
- ◆ the extent of the economic risk to which you are exposed as a result of such transactions (and determine that such risk is suitable for you in light of your specific experience in relation to the transaction and your financial objectives, circumstances and resources).
- ◆ the legal terms and conditions for such transactions.

You should also be aware of the following:

- ◆ You have the responsibility to fully understand the terms and conditions of the transactions to be undertaken, including, without limitation:
 - ❶ The terms as to price, term, expiration date, restrictions on exercising an OTC option and of the terms material to the transaction;
 - ❷ Any terms describing risk factors, such as volatility, liquidity, and so on; and
 - ❸ The circumstances under which you may become obliged to make or take delivery of a leveraged foreign exchange transaction or options contract.
- ◆ The high degree of leverage that is often obtainable in foreign exchange and precious metals trading can work against you as well as for you, due to fluctuating market conditions. Trading in such instruments can lead to large losses as well as gains in response to a small market movement.

If the market moves against you, you may not only sustain a total loss of your initial margin deposit, and any additional funds deposited with MIG Investments SA to maintain your position, but you may also incur further liability to MIG Investments SA. You may be called upon to “top-up” your margin by substantial amounts at short notice to maintain your position, failing which MIG Investments SA may have to liquidate your position at a loss and you would be liable for any resulting loss.

Client’s Initial

- ◆ You may sustain substantial losses on a contract or trade if the market conditions move against your position. It is in your interest to fully understand the impact of market movements, in particular the extent of profit/loss you would be exposed to when there is an upward or downward movement in the relevant rates and the extent of loss if you have to liquidate a position, if market conditions move against you.

Under certain market conditions you may find it difficult or impossible to liquidate a position, to assess a fair price or assess risk exposure. This can happen, for example, where the market for a transaction is illiquid or where there is a failure in electronic or telecommunications systems, or where there is the occurrence of an event commonly known as “force majeure”. Placing contingent orders, such as “stop-loss” orders, will not necessarily limit your losses to the intended amounts, as it may be impossible to execute such orders under certain market conditions. When placing a stop order or stop loss order, you must be aware that in certain market conditions you may be filled at a different price than initially requested.

Because the prices and characteristics of over-the-counter transactions are individually negotiated and there is no central source for obtaining prices, there are inefficiencies in transaction pricing. We consequently cannot and do not warrant that our prices or the prices we secure for you are or will at any time be the best prices available to you.

- ◆ Transactions in options involve a high degree of risk and are not suitable for many members of the public. Such transactions should be entered into only by persons who have read, understood and familiarized themselves with the type of options, style of exercise, the nature and extent of rights and obligations and the associated risks.

The objective of this statement is to explain to you, briefly, the nature of foreign exchange and precious metals trading, prior to your engaging in such transactions. In particular, you must be aware that the risk of loss in trading foreign exchange and precious metals can be substantial. However, this statement does not purport to disclose or discuss all of the risks and other significant aspects of any transaction. You should therefore consult with your own legal, tax and financial advisers prior to entering into any particular transaction.

I have read and understood the Risk Disclosure Statement as set out above.

This Agreement sets forth the terms and conditions under which MIG INVESTMENTS SA hereinafter called "MIG", shall permit the undersigned hereinafter called "Client" to have access to one or more terminals, including terminal access through your internet browser, for the electronic transmission of orders and/or transactions, for your accounts with MIG. This Agreement also sets forth the terms and conditions under which MIG shall permit you electronically to monitor the activity, orders and/or transactions in your account (collectively, the "Online Service"). For purposes of this Agreement the term "Online Service" includes all software and communication links, and in consideration thereof, Client agrees to the following:

1. LICENSE GRANT AND RIGHT OF USE

By this Agreement, where MIG is supplying the Client with software for use of the Online Service, the Client may use the software solely for his/her own internal business purposes. Neither the software nor the Online Service may be used to provide third party training or as a service bureau for any third parties. The Client agrees to use the Online Service and the software strictly in accordance with the terms and conditions of the MIG Account Agreement, as amended from time to time. The Client also agrees to be bound by any rules, procedures and conditions established by MIG concerning the use of the Online Service provided by MIG.

2. ACCESSES AND SECURITY

The Online Service may be used to transmit, receive and confirm execution of orders, subject to prevailing market conditions and applicable rules and regulations. MIG consent to Client's access and use in reliance upon his/her having adopted procedures to prevent unauthorized access to and use of the Online Service, and in any event, the Client agrees to any financial liability for trades executed through the Online Service. The Client acknowledges, represents and warrants that:

- a) He/She has received a number, code or other sequence, which provides access to the Online Service ("the Password").
- b) He/She is the sole and exclusive owner of the Password
- c) He/She is the sole and exclusive owner of any identification number or login number (the "Login") and
- d) He/She accepts full responsibility for use and protection of the Password and the Login as well as for any transaction occurring in an account opened, held or accessed through the Login and/or Password.

The Client accepts responsibility for the monitoring of his/her account(s). The Client will immediately notify MIG in writing if He/She becomes aware of any of the following:

- a) Any loss, theft or unauthorized use of his/her Password(s), Login and/or account number(s); or
- b) Any failure by him/her to receive a message indicating that an order was received and/or executed: or

Client's Initial

- c) Any failure by him/her to receive an accurate confirmation of an execution; or
- d) Any receipt of confirmation of an order and/or execution, which he/she did not place;
- e) Any inaccurate information in his/her account balances, positions, or transaction history.

3. RISKS OF ONLINE TRADING

The Client's access to the Online Service, or any portion thereof, may be restricted or unavailable during periods of peak demands, extreme market volatility, systems upgrades or other reasons. MIG makes no express or implied representations or warranties to the Client regarding the usability, condition or operation thereof. MIG does not warrant that access to or use of the Online Service will be uninterrupted or error free or that the Online Service will meet any particular criteria of performance or quality.

Under no circumstances including negligence, shall MIG or anyone else involved in creating, producing, delivering or managing the Online Service be liable for any direct, indirect, incidental, special or consequential damages that result from the use of or inability to use the Online Service, or out of any breach of any warranty, including, without limitation, those for business interruption or loss of profits.

The Client expressly agrees that his/her use of the Online Service is of his/her sole risk. The Client assumes full responsibility and risk of loss resulting from use of, or materials obtained through the Online Service. Neither MIG, nor any of MIG directors, officers, employees, agents, contractors, affiliates, third party vendors, facilities, information providers, licensors, exchanges, clearing organizations or other suppliers providing data, information, or services, warrant that the Online Service will be uninterrupted or error free; nor does MIG make any warranty as to the results that may be obtained from the use of the Online Service or as to the timeliness, sequence, accuracy, completeness, reliability or content of any information, service, or transaction provided through the Online service.

MIG generally offers streamline dealing and fixed spreads for all Foreign Exchange contracts. Streamline dealing does not guarantee that re-quotes will not be given and the client accepts to receive a re-quote on the requested price prior to a trade being confirmed. Re-quotes are given if the requested price is not favourable to MIG and in case of re-quote, the client is free to accept the new quote and MIG shall remain harmless of any damages or costs arising thereof. Additionally, in certain market conditions and upon MIG's sole discretion, MIG may increase the spreads in the online trading platform and MIG shall remain harmless of any damages or costs arising thereof.

MIG generally offers a mechanical trade system (MTS, also called "Expert advisors") linked up to a plot. This system does not only inform about a possible entry and exit point, but can also generate orders automatically on behalf of MIG's client and direct them to the trade server. The use of this system is at the Client's risk. MIG does thus not guarantee the result of the use of this system and MIG shall remain harmless of any damages or costs arising thereof.

Client's Initial

In the event that the Client's access to the Online Service or any portion thereof, is restricted or unavailable, the Client agrees to use other means to place his/her orders or access information, such as calling MIG and/or MIG representative.

By placing an order through the Online Service, the Client acknowledges that his/her order may not be reviewed by a registered representative prior to execution. The Client agrees that MIG is not liable to him/her for any losses, lost opportunities or increased commissions, which may result from his/her inability to use the Online Service to place orders or access information.

4. MARKET DATA AND INFORMATION

Neither MIG nor any provider shall be liable in any way to the Client or to any other person for:

- a) Any inaccuracy, error or delay in, or omission of any such data, information or message or the transmission or delivery of any such data, information or message; or
- b) Any loss or damage arising from or occasioned by any such inaccuracy, error, delay, omission, non performance, interruption in any such data, information or message, due either to any negligent act or omission or to any condition of force majeure or any other cause, whether or not within MIG or any provider's control. MIG shall not be deemed to have received any order or communication transmitted electronically by the Client, until MIG has actual knowledge of such order or communication. Additionally, if a client executed a trade at a price which at the time the trade was executed was wrong and/or delayed from the actual market price, then MIG may cancel that trade from the Client's account and MIG shall remain harmless of any damages or costs arising thereof.

5. REPRESENTATIONS

The Client acknowledges that from time to time, and for any reason, the Online Service may not be operational or otherwise unavailable for his/her use due to servicing, hardware malfunction, software defect, service or transmission interruption or other cause, and he/she agrees to hold MIG and any provider harmless from liability of any damage which results from the unavailability of the Online Service. The Client acknowledges that he/she has alternative arrangements, which will remain in place for the transmission and execution of his/her orders, in the event, for any reason, circumstances prevent the transmission and execution of all, or any portion of his/her orders through the Online Service.

The Client represents and warrants that he/she is fully authorized to enter into this Agreement and under no legal disability which prevents him/her from trading, and that he/she shall remain in compliance with all laws, rules and regulations applicable to his/her business.

Client's Initial

The Client agrees that he/she is familiar with and will abide by any rules or procedures adopted by MIG and any provider in connection with use of the Online Service and he/she has provided necessary training in its use. The Client shall not (and shall not permit any third party) to copy, use, analyze, modify, decompile, disassemble, reverse engineer, translate or convert any software provided to him/her in connection with use of the Online Service or distribute the software or the Online Service to any other third party.

6. TERMINATION

MIG may, in its sole discretion, terminate or restrict the Client’s access to the Online Service and may terminate this Agreement at any time. Upon termination, any software license granted to the Client herein shall automatically terminate.

7. INDEMNITY

The Client agrees to indemnify and hold MIG (and MIG directors, officers, employees, control persons, vendors, licensors and agents) harmless from and against any and all claims, losses, liabilities, damages, costs and expenses (including reasonable attorney fees) arising out of or related to this Agreement and due to any error that the Client fails to correct or arrange for MIG to correct (if possible). This indemnification shall be binding upon the Client and the Client’s executors, administrators, heirs, successors and permitted assignees and will survive termination of this Agreement.

8. MISCELLANEOUS

The Client may not amend the terms of this Agreement. MIG may amend the terms of this Agreement upon notice to the Client (including electronic delivery). By continued access to and use of the Online Service, the Client agrees to any such amendments to this Agreement. This Agreement is the entire Agreement between the parties relating to the subject hereof, and, except with respect to the Account Agreement between the parties, all prior negotiations and understandings between the parties, whether written or oral, are hereby merged into this Agreement. Nothing in this Agreement shall be deemed to supersede or modify a party's right and obligations under the Account Agreement.

9. LAW

This Agreement shall be governed by Swiss law to the exclusion of Swiss international private law and any international convention signed or ratified by Switzerland. The exclusive place of performance and the place of jurisdiction for any proceedings whatsoever is NEUCHÂTEL, Switzerland. However, MIG Investments SA retains the right to file an action in the country of the Client’s domicile or before any other competent court, in which case Swiss law will still apply.

These General Conditions (hereinafter “the Agreement”) shall apply to all dealings between MIG Investments SA and its clients (hereinafter “the Client”).

1. Interpretation

1.1. In these Conditions, the following words and expressions shall have the following meanings:

“**Account**” means an account of the Client with MIG Investments SA;

“**Agreement**” means these General Conditions, each Contract and any document amending and/or expressed to be supplemental to any or all thereof which together constitute a single agreement between the Client and MIG Investments SA;

“**Authorized Person**” means a person authorized by the Client to give instructions to MIG Investments SA in accordance with the provisions of clause 3.1.;

“**Business Day**” means a day on which banks and/or foreign exchange markets are open for business in Neuchâtel, Switzerland;

“**Contract**” means any contract, whether oral or written, for the purchase or sale of any currency, including any OTC option relating thereto, entered into by MIG Investments SA with the Client or any back to back agreement which MIG Investments SA may enter into to enable it to fulfill its obligations under such a contract;

“**Contract Note**” means a document confirming entry into a Contract;

“**Market Rules**” means the rules, regulations, customs and practices of any organization or market involved in the execution or settlement of a Contract and any exercise by any such organization or market of any power or authority conferred on it;

“**Services**” means the services to be provided by MIG Investments SA under this Agreement;

“**Value Date**” means the date for settlement of a Contract specified in the applicable Contract Note.

1.2. In these Conditions, unless the context otherwise indicates:

a) Words denoting the singular shall include the plural and vice versa and words denoting a given gender shall include all other genders;

b) References to persons are to any persons, firms, companies or any association or partnership (whether or not having separate legal personality);

c) Headings are for convenience only and shall not affect the interpretation hereof.

2. Services

2.1. Under the terms of this Agreement, the Client may enter into transactions with MIG Investments SA in connection with the following instruments:

a) Spot and forward foreign currency contracts;

b) Foreign currency OTC options;

c) Foreign currency rollover transactions;

d) Such other investments as MIG Investments SA may from time to time agree in writing.

2.2. The Services may involve margined transactions, where the Client is required to deposit cash or other assets to secure performance of the Client’s obligations under the Contract.

2.3. Both MIG Investments SA and the Client will, unless otherwise agreed in writing, enter into Contracts as principal. If the Client acts on behalf of a principal, whether or not the Client identifies that principal to MIG Investments SA, MIG Investments SA will not accept that principal as an indirect client, unless otherwise agreed in writing. Additionally, the Client acknowledges that he is aware of the identification requirements of the Swiss Federal Money Laundering Act. In this respect, he undertakes to provide MIG Investments SA with the identity and personal particulars of the principal, as per separate document (See Verification of the Beneficial Owner form).

2.4. MIG Investments SA will, in general, not provide any advice to the Client. If MIG Investments SA effects a transaction with or for the Client this shall not be taken to mean that MIG Investments SA recommends, or concurs on the merits of, the transaction or that the transaction is suitable for the Client. On the rare occasion that MIG Investments SA does provide advice, the advice may be given orally or in writing.

2.5. The Client acknowledges that many Contracts will be affected subject to, and in accordance with, Market Rules. In particular, the Client acknowledges that Market Rules usually contain wide powers in an emergency or otherwise undesirable situation, and the Client agrees that if any market or other organization takes any action which affects a Contract then MIG Investments SA may take any action which it, in its discretion, considers desirable in the interests of the Client and/or MIG Investments SA. MIG Investments SA shall not be liable for any loss suffered by the Client as a result of the acts or omissions of any market or organization or any action reasonably taken by MIG Investments SA as a result of such acts or omissions. MIG Investments SA may, in its reasonable opinion, determine that an emergency or an exceptional market condition exists (a “Force Majeure Event”), in which case MIG Investments SA will, in due course, take reasonable steps to inform the Client. A Force Majeure Event shall include, but is not limited to, the following:

Client’s Initial

- a) any act, event or occurrence (including, without limitation, any interruption of power supply or electronic or communication equipment failure, strike, riot or civil commotion) which, in MIG Investments SA opinion, prevents it from maintaining an orderly market in one or more of the currencies in respect of which MIG Investments SA ordinarily allows the Client to enter into Contracts;
- b) the suspension or closure of any market or the abandonment or failure of any event upon which MIG Investments SA bases, or to which it in any way relates, its quote, or the imposition of limits or special or unusual terms on the trading in any such market or on any such event; or
- c) the occurrence of an excessive movement in the level of any exchange rate and/or corresponding market.

2.6. Neither the information nor any opinion expressed in MIG Investments SA web site and/or MIG Investments SA contractual or other documentation constitutes a solicitation, an offer or a recommendation of MIG Investments SA to buy or sell any currencies or to engage in financial investments or transactions, or in any other transaction.

2.7. MIG generally offers streamline dealing and fixed spreads for all Foreign Exchange contracts. However, in certain market conditions and upon MIG's sole discretion, MIG may change the quoted prices and/or spreads in the online trading platform and MIG shall remain harmless of any damages or costs arising thereof. MIG also generally offers a mechanical trade system (MTS, also called "Expert advisors") linked up to a plot. This system does not only inform about a possible entry and exit points but can also generate orders automatically on behalf of MIG's client and direct them to the trade server. The use of this system is at the Client's risk. MIG does thus not guarantee the result of the use of this system and MIG shall remain harmless of any damages or costs arising thereof.

3. Instructions

3.1. The Client may give MIG Investments SA oral or written instructions. MIG Investments SA shall be entitled to act upon the oral or written instructions of any person so authorized or any person who appears to MIG Investments SA to be an Authorized Person, notwithstanding that the person is not, in fact, so authorized. For these purposes, written instructions may be given by letter, facsimile, or via the Internet or other electronic means of communication and oral instructions in person or by telephone. MIG Investments SA shall not be obliged to confirm such instructions.

3.2. The Client shall advise MIG Investments SA of the identity of any persons authorized to give instructions to MIG Investments SA on behalf of the Client in accordance with and for the purposes of this Agreement. Any such notice shall be in writing and shall set out the names and specimen signatures of the person or persons to be authorized. Any such authority may be revoked by notice in writing by the Client but shall only be effective upon written confirmation by MIG Investments SA of MIG Investments SA receipt of notice of revocation. MIG Investments SA shall not be liable for any loss direct or indirect, resulting from the Client's failure to notify it of such revocation.

3.3. Once an instruction has been given by, or on behalf of the Client, it cannot be rescinded, withdrawn or amended without MIG Investments SA express consent. MIG Investments SA may at its absolute discretion refuse any dealing instruction given by, or on behalf of, the Client without giving any reason or being liable for any loss occasioned thereby.

3.7. Instructions shall be acknowledged orally or in writing by MIG Investments SA, as appropriate.

3.8. If MIG Investments SA does not receive instructions from the Client to settle any open Contracts by the close of the Business Day two days prior to Value Date of the said Contracts, MIG Investments SA is hereby authorized (but not obliged) to rollover all said Contracts to the next Value Date traded.
