- ◆ You may sustain substantial losses on a contract or trade if the market conditions move against your position. It is in your interest to fully understand the impact of market movements, in particular the extent of profit/loss you would be exposed to when there is an upward or downward movement in the relevant rates and the extent of loss if you have to liquidate a position, if market conditions move against you.

Under certain market conditions you may find it difficult or impossible to liquidate a position, to assess a fair price or assess risk exposure. This can happen, for example, where the market for a transaction is illiquid or where there is a failure in electronic or telecommunications systems, or where there is the occurrence of an event commonly known as “force majeure”. Placing contingent orders, such as “stop-loss” orders, will not necessarily limit your losses to the intended amounts, as it may be impossible to execute such orders under certain market conditions. When placing a stop order or stop loss order, you must be aware that in certain market conditions you may be filled at a different price than initially requested.

Because the prices and characteristics of over-the-counter transactions are individually negotiated and there is no central source for obtaining prices, there are inefficiencies in transaction pricing. We consequently cannot and do not warrant that our prices or the prices we secure for you are or will at any time be the best prices available to you.

- ◆ Transactions in options involve a high degree of risk and are not suitable for many members of the public. Such transactions should be entered into only by persons who have read, understood and familiarized themselves with the type of options, style of exercise, the nature and extent of rights and obligations and the associated risks.

The objective of this statement is to explain to you, briefly, the nature of foreign exchange trading, prior to your engaging in such transactions. In particular, you must be aware that the risk of loss in trading foreign exchange can be substantial. However, this statement does not purport to disclose or discuss all of the risks and other significant aspects of any transaction. You should therefore consult with your own legal, tax and financial advisers prior to entering into any particular transaction.

I have read and understood the Risk Disclosure Statement as set out above.

3. RISKS OF ONLINE TRADING

The Client's access to the Online Service, or any portion thereof, may be restricted or unavailable during periods of peak demands, extreme market volatility, systems upgrades or other reasons. MIG makes no express or implied representations or warranties to the Client regarding the usability, condition or operation thereof. MIG does not warrant that access to or use of the Online Service will be uninterrupted or error free or that the Online Service will meet any particular criteria of performance or quality.

Under no circumstances including negligence, shall MIG or anyone else involved in creating, producing, delivering or managing the Online Service be liable for any direct, indirect, incidental, special or consequential damages that result from the use of or inability to use the Online Service, or out of any breach of any warranty, including, without limitation, those for business interruption or loss of profits.

The Client expressly agrees that his/her use of the Online Service is of his/her sole risk. The Client assumes full responsibility and risk of loss resulting from use of, or materials obtained through the Online Service. Neither MIG, nor any of MIG directors, officers, employees, agents, contractors, affiliates, third party vendors, facilities, information providers, licensors, exchanges, clearing organizations or other suppliers providing data, information, or services, warrant that the Online Service will be uninterrupted or error free; nor does MIG make any warranty as to the results that may be obtained from the use of the Online Service or as to the timeliness, sequence, accuracy, completeness, reliability or content of any information, service, or transaction provided through the Online service.

MIG generally offers streamline dealing and fixed spreads for all Foreign Exchange contracts. Streamline dealing does not guarantee that re-quotes will not be given and the client accepts to receive a re-quote on the requested price prior to a trade being confirmed. Re-quotes are given if the requested price is not favourable to MIG and in case of re-quote, the client is free to accept the new quote and MIG shall remain harmless of any damages or costs arising thereof. Additionally, in certain market conditions and upon MIG's sole discretion, MIG may increase the spreads in the online trading platform and MIG shall remain harmless of any damages or costs arising thereof.

MIG generally offers a mechanical trade system (MTS, also called "Expert advisors") linked up to a plot. This system does not only inform about a possible entry and exit point, but can also generate orders automatically on behalf of MIG's client and direct them to the trade server. The use of this system is at the Client's risk. MIG does thus not guarantee the result of the use of this system and MIG shall remain harmless of any damages or costs arising thereof.

6. TERMINATION

MIG may, in its sole discretion, terminate or restrict the Client’s access to the Online Service and may terminate this Agreement at any time. Upon termination, any software license granted to the Client herein shall automatically terminate.

7. INDEMNITY

The Client agrees to indemnify and hold MIG (and MIG directors, officers, employees, control persons, vendors, licensors and agents) harmless from and against any and all claims, losses, liabilities, damages, costs and expenses (including reasonable attorney fees) arising out of or related to this Agreement and due to any error that the Client fails to correct or arrange for MIG to correct (if possible). By continued access to and use of the Online Service, the Client agrees to any such amendments to this Agreement. This Agreement is the entire Agreement between the parties relating to the subject hereof, and, except with respect to the Account Agreement between the parties, all prior negotiations and understandings between the parties, whether written or oral, are hereby merged into this Agreement. Nothing in this Agreement shall be deemed to supersede or modify a party's right and obligations under the Account Agreement.

9. LAW

This Agreement shall be governed by Swiss law to the exclusion of Swiss international private law and any international convention signed or ratified by Switzerland. The exclusive place of performance and the place of jurisdiction for any proceedings whatsoever is NEUCHÂTEL, Switzerland. However, MIG Investments SA retains the right to file an action in the country of the Client’s domicile or before any other competent court, in which case Swiss law will still apply.

These General Conditions (hereinafter “the Agreement”) shall apply to all dealings between MIG Investments SA and its clients (hereinafter “the Client”).

1. Interpretation

1.1. In these Conditions, the following words and expressions shall have the following meanings:

“**Account**” means an account of the Client with MIG Investments SA;

“**Agreement**” means these General Conditions, each Contract and any document amending and/or expressed to be supplemental to any or all thereof which together constitute a single agreement between the Client and MIG Investments SA;

“**Authorized Person**” means a person authorized by the Client to give instructions to MIG Investments SA in accordance with the provisions of clause 3.1.;

“**Business Day**” means a day on which banks and/or foreign exchange markets are open for business in Neuchâtel, Switzerland;

“**Contract**” means any contract, whether oral or written, for the purchase or sale of any currency, including any OTC option relating thereto, entered into by MIG Investments SA with the Client or any back to back agreement which MIG Investments SA may enter into to enable it to fulfill its obligations under such a contract;

“**Contract Note**” means a document confirming entry into a Contract;

“**Market Rules**” means the rules, regulations, customs and practices of any organization or market involved in the execution or settlement of a Contract and any exercise by any such organization or market of any power or authority conferred on it;

“**Services**” means the services to be provided by MIG Investments SA under this Agreement;

“**Value Date**” means the date for settlement of a Contract specified in the applicable Contract Note.

1.2. In these Conditions, unless the context otherwise indicates:

- a) Words denoting the singular shall include the plural and vice versa and words denoting a given gender shall include all other genders;
- b) References to persons are to any persons, firms, companies or any association or partnership (whether or not having separate legal personality);
- c) Headings are for convenience only and shall not affect the interpretation hereof.

2. Services

2.1. Under the terms of this Agreement, the Client may enter into transactions with MIG Investments SA in connection with the following instruments:

- a) Spot and forward foreign currency contracts;
- b) Foreign currency OTC options;
- c) Foreign currency rollover transactions;
- d) Such other investments as MIG Investments SA may from time to time agree in writing.

2.2. The Services may involve margined transactions, where the Client is required to deposit cash or other assets to secure performance of the Client’s obligations under the Contract.

2.3. Both MIG Investments SA and the Client will, unless otherwise agreed in writing, enter into Contracts as principal. If the Client acts on behalf of a principal, whether or not the Client identifies that principal to MIG Investments SA, MIG Investments SA will not accept that principal as an indirect client, unless otherwise agreed in writing. Additionally, the Client acknowledges that he is aware of the identification requirements of the Swiss Federal Money Laundering Act. In this respect, he undertakes to provide MIG Investments SA with the identity and personal particulars of the principal, as per separate document (See Verification of the Beneficial Owner form).

2.4. MIG Investments SA will, in general, not provide any advice to the Client. If MIG Investments SA effects a transaction with or for the Client this shall not be taken to mean that MIG Investments SA recommends, or concurs on the merits of, the transaction or that the transaction is suitable for the Client. On the rare occasion that MIG Investments SA does provide advice, the advice may be given orally or in writing.

2.5. The Client acknowledges that many Contracts will be affected subject to, and in accordance with, Market Rules. In particular, the Client acknowledges that Market Rules usually contain wide powers in an emergency or otherwise undesirable situation, and the Client agrees that if any market or other organization takes any action which affects a Contract then MIG Investments SA may take any action which it, in its discretion, considers desirable in the interests of the Client and/or MIG Investments SA. MIG Investments SA shall not be liable for any loss suffered by the Client as a result of the acts or omissions of any market or organization or any action reasonably taken by MIG Investments SA as a result of such acts or omissions. MIG Investments SA may, in its reasonable opinion, determine that an emergency or an exceptional market condition exists (a “Force Majeure Event”), in which case MIG Investments SA will, in due course, take reasonable steps to inform the Client. A Force Majeure Event shall include, but is not limited to, the following:

Client’s Initials

1. _____

2. _____

- a) any act, event or occurrence (including, without limitation, any interruption of power supply or electronic or communication equipment failure, strike, riot or civil commotion) which, in MIG Investments SA opinion, prevents it from maintaining an orderly market in one or more of the currencies in respect of which MIG Investments SA ordinarily allows the Client to enter into Contracts;
- b) the suspension or closure of any market or the abandonment or failure of any event upon which MIG Investments SA bases, or to which it in any way relates, its quote, or the imposition of limits or special or unusual terms on the trading in any such market or on any such event; or
- c) the occurrence of an excessive movement in the level of any exchange rate and/or corresponding market.

2.6. Neither the information nor any opinion expressed in MIG Investments SA web site and/or MIG Investments SA contractual or other documentation constitutes a solicitation, an offer or a recommendation of MIG Investments SA to buy or sell any currencies or to engage in financial investments or transactions, or in any other transaction.

2.7. MIG generally offers streamline dealing and fixed spreads for all Foreign Exchange contracts. However, in certain market conditions and upon MIG's sole discretion, MIG may change the quoted prices and/or spreads in the online trading platform and MIG shall remain harmless of any damages or costs arising thereof. MIG also generally offers a mechanical trade system (MTS, also called "Expert advisors") linked up to a plot. This system does not only inform about a possible entry and exit points but can also generate orders automatically on behalf of MIG's client and direct them to the trade server. The use of this system is at the Client's risk. MIG does thus not guarantee the result of the use of this system and MIG shall remain harmless of any damages or costs arising thereof.

3. Instructions

3.1. The Client may give MIG Investments SA oral or written instructions. MIG Investments SA shall be entitled to act upon the oral or written instructions of any person so authorized or any person who appears to MIG Investments SA to be an Authorized Person, notwithstanding that the person is not, in fact, so authorized. For these purposes, written instructions may be given by letter, facsimile, or via the Internet or other electronic means of communication and oral instructions in person or by telephone. MIG Investments SA shall not be obliged to confirm such instructions.

3.2. The Client shall advise MIG Investments SA of the identity of any persons authorized to give instructions to MIG Investments SA on behalf of the Client in accordance with and for the purposes of this Agreement. Any such notice shall be in writing and shall set out the names and specimen signatures of the person or persons to be authorized. Any such authority may be revoked by notice in writing by the Client but shall only be effective upon written confirmation by MIG Investments SA of MIG Investments SA receipt of notice of revocation. MIG Investments SA shall not be liable for any loss direct or indirect, resulting from the Client's failure to notify it of such revocation.

3.3. Once an instruction has been given by, or on behalf of the Client, it cannot be rescinded, withdrawn or amended without MIG Investments SA express consent. MIG Investments SA may at its absolute discretion refuse any dealing instruction given by, or on behalf of, the Client without giving any reason or being liable for any loss occasioned thereby.

3.4. The Client shall promptly (and within the limits imposed by MIG Investments SA) give any instructions MIG Investments SA may request from the Client in respect of any Contract or proposed Contract. If the Client does not provide such instructions promptly, MIG Investments SA may, in its absolute discretion, take such steps at the Client's cost as MIG Investments SA considers appropriate for its own protection or for the protection of the Client.

3.5. If the Client does not provide MIG Investments SA with notice of its intention to exercise an OTC option at the time stipulated by MIG Investments SA, MIG Investments SA may treat the option as abandoned by the Client and, if so, will notify the Client.

3.6. MIG Investments SA shall not be liable for any loss, expense, cost or liability (including consequential loss) suffered or incurred by the Client as a result of instructions being given, or any other communications being made, via the Internet. The Client will be solely responsible for all orders, and for the accuracy of all information, sent via the Internet using the Client's name or personal identification number. MIG Investments SA will not execute an order until it has confirmed the order to the Client and transmission of an order shall not give rise to a binding Contract between MIG Investments SA and the Client.

3.7. Instructions shall be acknowledged orally or in writing by MIG Investments SA, as appropriate.

3.8. If MIG Investments SA does not receive instructions from the Client to settle any open Contracts by the close of the Business Day two days prior to Value Date of the said Contracts, MIG Investments SA is hereby authorized (but not obliged) to rollover all said Contracts to the next Value Date traded.

3.9. The Client shall indemnify MIG Investments SA and keep MIG Investments SA indemnified against all losses which MIG Investments SA may suffer as a result of any error in any instruction given by an Authorized Person, or acting on any instruction which is, or appears to be, from an Authorized Person.

3.10. During market holidays and weekends, MIG Investments SA does not execute orders for clients.

3.11. MIG Investments SA may (but shall not be obliged to) require confirmation (in such form as MIG Investments SA may request) of any instruction if it appears to MIG Investments SA that such confirmation is necessary or desirable, or if such instruction is to close an Account or remit money to the Client.

Client's Initials

2. _____

3.12 The Client may request to have his account not be charged or given any rollover fees for open positions. Such request is made separately from the Client and the Client thereby agrees to pay any additional fees or costs as MIG specifies from time to time for handling such account. If MIG Investments finds that a client is using such account for abusive purposes, MIG may, at its sole discretion, decide to close all open positions for such an account and deduct or add any rollover fees for all the transactions currently and/or previously made with the Client and decline from accepting any further request from the Client to be exempted from rollover fees.

4. Margin Deposits, Collateral and Payments

4.1. The Client shall pay to MIG Investments SA:

- a) such amounts of money as required by MIG Investments SA, and in a currency acceptable to MIG Investments SA, as initial or variation margin;
- b) such amounts of money, as may be required from time to time, due to MIG Investments SA under a Contract; and
- c) such amounts of money as may be required in or towards clearance of any debit balance on any Account.

4.2. With the prior agreement of MIG Investments SA, the Client may provide MIG Investments SA with a bank guarantee, in a form acceptable to MIG Investments SA, instead of cash, for the purpose of complying with its obligations under clause 4.1.

4.3. Without limiting the Client's obligation to pay margin deposits, MIG Investments SA will have no obligation to ensure margin deposit requirements have been satisfied by the Client before effecting a Contract and the Client's obligations in respect of a Contract will not be diminished by any failure by MIG Investments SA to enforce payment of outstanding margin deposits prior to entering into the Contract.

4.4. The Client shall promptly deliver any money deliverable by it under a Contract in accordance with the terms of that Contract and with any instructions given by MIG Investments SA for the purpose of enabling MIG Investments SA to perform its obligations under any corresponding Contract entered into between MIG Investments SA and a third party.

4.5. MIG Investments SA may (but shall not be obliged to) convert any monies held by it for the Client into such other currency as MIG Investments SA considers necessary or desirable to cover the Client's obligations and liabilities in that currency at such rate of exchange as MIG Investments SA shall select.

4.6. If the Client fails to provide any margin deposit or other sum due under this Agreement in respect of any Contract, MIG Investments SA may close out any open Contract without prior notice to the Client and apply any proceeds thereof to payment of any amounts due to MIG Investments SA.

5. Right of Pledge, Lien, Set-Off and Retention

5.1. MIG Investments SA shall, at any time, be entitled to offset against each other the balances of all accounts the Client maintains with MIG Investments SA (regardless of designation of currency of the account) or to offset each balance individually. For all its claims arising from its business relations with the Client, irrespective of the maturity dates of such claims or of the currencies in which they are denominated, including unsecured or collateralized claims, MIG Investments SA shall have a right of lien and pledge, and a right of retention, on all assets held in the Client's name or otherwise deposited with MIG Investments SA.

6. Client's money

6.1. The Client's money will not be segregated from MIG Investments SA's money. In the case of bankruptcy, the Client will rank as a general unsecured creditor of MIG Investments SA.

6.2. However, and in order to make it fully clear, MIG Investments SA hereby confirms that the Client's money will not and may not be used in order to finance MIG Investments SA's own financial operations.

7. Contract Notes and Monthly Statements

7.1. In respect of each Contract entered into by MIG Investments SA with the Client, MIG Investments SA will send to the Client a Contract Note by the close of business on the Business Day on which the Contract is concluded, unless the Contract is entered into after 23:00 PM CET in which case, in respect of such Contract Note, the Contract will be treated as having been effected on the next following Business Day. The failure of MIG Investments SA to send a Contract Note will not prejudice the rights and obligations of either party under a Contract.

7.2. A full history statement in respect to every Account, including any open Contracts which the Client may have, shall be sent to the Client at the Client's request within two weeks from the receipt of such request by MIG. This statement can also be printed from the Online Service provided by MIG.

7.3. The Client must verify the contents of each document received from MIG Investments SA. Such documents shall, in the absence of manifest error, be conclusive unless the Client notifies MIG Investments SA in writing to the contrary within one Business Day of receiving such document.

8. Default

8.1. Without prior notice to, or receiving further authority from the Client, MIG Investments SA shall have the right to close out all or any part of any Contract, and realize any securities or other assets of the Client held by MIG Investments SA, upon or at any time after the happening of any of the following events:
